PROFESSIONAL EXPERIENCE

08/2021 – 06/2026
Scottsdale, Arizona

Senior Specialist, Working Capital, APL Logistics Ltd.

- **Project Management:** Managed the preparation and timely delivery of weekly, monthly, and annual financial statements for customers, overseeing reports and monitoring accounts receivable payment application that resulted in a 20% reduction in processing time.
- **Financial and Credit Analysis:** Ensuring timely processing of over 3,00 monthly invoices across multimillion dollar vendors portfolio while maintaining a constant 98% exactitude.
- **Industry Expertise:** Reviewed customer pricing and led cost-saving initiatives that resulted in a 5% reduction in operational expenses across logistics contracts.
- **Business Development:** Overseeing vendor onboarding and compliance audit across customer, enhancing financial transparency.
- **Cross-Functional Collaboration:** Collaborated with IT, Finance, and GBS team to drive resolution of complex discrepancies, achieving a 25% reduction in vendor disputes through enhanced reporting and communication protocols.

09/2019 – 08/2021
Scottsdale, Arizona

Freight Payment Analyst, GlobalTranz

- **Workflow Optimization:** Processed an average of 500 freight payment transactions per week, resolving issues such as missing customer details, missing carrier information, duplicates, and shipment verifications with 98% accuracy.
- **Client Relationship Management:** Audited & reconciled third-party customer financial records, addressing discrepancies in over 1,200 invoices and assisting with general ledger coding & bath creations, improving invoice processing efficiency by 15%. Successfully reduced rejected invoices by 10% through detailed reviews and proactive communication with clients and carriers.

09/2017 – 05/2019
San Antonio, Texas

Researcher, SABÉR Research Institute

- **Governance and Policy Implementation:** Conducted in-depth research into policy development and its impact, analyzing over 50 neighborhood redevelopment projects and forecasting regional economic trends and demographic shifts for the city of San Antonio, influencing policy decisions for a population of 1.5 million. Facilitated the preparation of more than 25 comprehensive reports and compiled datasets covering key urban indicators, which were presented to Mayor Ron Nirenberg and city officials, shaping the strategic direction of city planning initiatives. Supported fundraising efforts for private debt strategies.
